

## Research Support

Project Title	Research Support
Project Summary	Seeking support to enhance the USAID/Ukraine's ability to monitor economic, political, and social trends, provide critical analysis and research on specific topics related to its goal and development objectives, and strengthen its formulation of in policy issues and programming.
Country	Ukraine
Agency	Agency for International Development
DoS Office	N/A
Post	N/A
Section	N/A
Number of Interns	3

## Project Description

Interns will have an opportunity to assist with the USAID Mission in conducting in-depth research on topics affecting its current and future programs, such as: agriculture, energy security, land reform, anti-corruption, judicial reform, social and economic integration of displaced persons, among others. S/he will also assist in monitoring economic, political, and social trends that could also affect the Mission's work in Ukraine..

Duties include, but not limited to the following:

- ? Conducting research on land reform issues in Ukraine and potential impacts (economic, social, etc.) it would have;
- ? Analysis could include comparisons of land reform efforts in other post-Soviet or neighboring countries;
- ? Compiling regular briefers (in written and/or graphic form) of major trends that could affect the Mission's ability to achieve its goal and objectives (economic, political, social trends both in Ukraine and in the world writ large; public statements by leading Ukrainian, Russian, or other dignitaries; programs/plans of other donor countries in Ukraine; etc.);
- ? Producing briefers, one page documents, or other research papers and analysis on topics related to the Mission's current and future programs;
- ? Other duties as required.
